Advanced Vehicle Theft Protection

Complete parts protection for your vehicle

National registration for the life of the vehicle

Identifiable by police in the event of theft

DotGuard Vehicle & Parts Theft Protection

The Theft Problem

According to FBI statistics a staggering \$17.2bn in personal property was stolen in 2008 alone.

Over 1.1m vehicles are stolen annually in the US, a vehicle every 26 seconds.

Over 80% of all motorcycles and powersports assets stolen are never recovered.

Professional thieves can steal a vehicles and strip off the parts within minutes.

Without proper identification, vehicles and their parts are easy targets for thieves and rarely found by police.

The DotGuard Solution

DotGuard offers one of the most advanced parts marking systems for automotive and powersports assets.

The DotGuard system ensures a vehicles and its parts are uniquely identified and linked to owner of the vehicle to create a powerful asset identification and theft deterrent system.

Vehicles marked DotGuard are registered in the DotGuard National Vehicle database and identifiable by police in the event of theft.

DotGuard Theft Protection

The DotGuard theft protection program is built on the use high quality tamper resistant labels which are fitted to key parts of your vehicle by your dealer. The engine, radiator, transmission, fenders, exhaust and many other parts are uniquely marked and protected.

DotGuard labels offer detailed information to your dealer and police about your vehicle and each part marked.

Anti-theft warning decals tell would-be-thieves that your vehicle parts are marked and identifiable by police in the event of theft.

DotGuard Vehicle Registration

Each vehicle and part marked with DotGuard is registered in the DotGuard National Vehicle Registration database for the life of the vehicle. This database is accessible by police in the event of theft to prove your ownership of any part stolen.

Complete Peace of Mind

DotGuard theft protection is available for all your vehicles and other assets. Any asset marked may be registered in the DotGuard National Vehicle Register.
